

Workflow automation with native AI agent nodes

WHAT YOU GET

1 month of n8n Cloud Pro, free

Worth about 60 EUR. Build and run agents, connect 400+ apps, no server setup.

VOUCHER CODE, SHARED

2026-COMMUNITY-HACKATHON-AMSTERDAM-3949AF3E

HOW TO REDEEM

- 1 Go to **n8n.io/cloud** and sign up, or log in if you already have an n8n Cloud account.
- 2 Pick the **Pro** plan and go to checkout.
- 3 Enter the voucher code above in the coupon field at checkout. The first month drops to zero.
- 4 Start building. Step by step guide with screenshots: **n8n.notion.site/voucher-code**

GOOD TO KNOW

- The code works during the event and for about two weeks after 23 September. Redeem today.
- Limited number of redemptions, first come first served. One account per person.
- Cancel any time before the month ends and you pay nothing.

FOUNDERS PACK, FOR THE WINNING TEAM

1 year of n8n Cloud Pro for every member of the 1st place team, about 600 EUR per person. n8n emails the codes directly to the team after the event.
