

Modal

Serverless GPUs and Python compute, deploy in seconds

WHAT YOU GET

100 USD in Modal credits

Run models, batch jobs and endpoints on Modal's cloud. Credits land in your workspace.

REDEMPTION CODE, SHARED

2BU-AT3-D4V

<https://modal.fillout.com/t/qMXCmRGseUus?code=2BU-AT3-D4V>

HOW TO REDEEM

- 1 **Create a Modal account first** at **modal.com** (GitHub sign in is fastest). The claim only works on an existing account.
- 2 Open the redemption link above (the code is already filled in) and submit the short form with the email you use on Modal.
- 3 Check your Modal workspace, the 100 USD shows up under billing and credits.

GOOD TO KNOW

- The link is capped at 150 redemptions for this event, first come first served.
- Use the same email for the Modal account and the form, otherwise the credits cannot be matched.
- Modal docs and examples: **modal.com/docs**.

FOUNDERS PACK, FOR THE WINNING TEAM

5,000 USD in Modal credits for the winning team, delivered by Modal to one team workspace after the event.
