

Miro

Shared canvas for your team, with Miro AI

WHAT YOU GET

Full access to the AI Innovate Amsterdam Miro team

Unlimited boards, Miro AI and MCPs for your team, during the event and for one month after.

HOW TO REDEEM

- 1 Check the inbox of the email you registered with for an invite to the **AI Innovate Amsterdam Miro team**. Check spam too, it went out Tuesday.
- 2 Accept the invite. If you do not have a Miro account yet, create one with the same email when prompted.
- 3 Once you are in, open the **Getting started** section on the team board and create a board for your team.
- 4 Getting started board: miro.com/app/board/uXjVHkcOr_0=

GOOD TO KNOW

- No code needed, access is tied to your registration email.
- Did not get an invite? Come to the BuilderBase desk with your email, we add you on the spot. Natalie from Miro is on the floor as a mentor all day.
- Your access stays open for one month after the event, so you can keep working on your project.

FOUNDERS PACK, FOR THE WINNING TEAM
