

ElevenLabs

Voice AI, text to speech, speech to text and conversational agents

WHAT YOU GET

110,000 ElevenLabs credits

Enough to add realistic voice, transcription or a voice agent to your project.

HOW TO REDEEM

- 1 Join the ElevenLabs Discord: discord.com/invite/VnBvbbcdEC
- 2 Open the **#coupon-codes** channel and click **Start Redemption**.
- 3 Pick the event **AI Innovate Amsterdam** from the list, then enter the **email you registered with** for the hackathon.
- 4 The bot sends you a personal code by DM. Log in at elevenlabs.io and redeem it under your account.
- 5 Video walkthrough, 1 minute: youtu.be/S143_JtCtV8

GOOD TO KNOW

- Your code is unique to you and tied to your registration email, so use exactly that email.
- Event not showing in the bot, or the bot says your email is not on the list? Come to the BuilderBase desk, we have backup codes.
- Building a company? ElevenLabs gives full time founders up to 33M credits through their startup grant, ask the ElevenLabs team or the desk for the link.
